# student art wanted!

Southern Teachers works with the best schools.

*We want you to see what they look like.*

**Enter ST's 10th Annual Student Art Contest.**

**Your school could appear in our 2019-20 calendar.**

The Southern Teachers 2019-20 academic year calendar will feature students' artwork depicting the school they attend. Submissions should focus on a distinctive, recognizable architectural feature of a campus structure, building, or buildings.

We are looking for original paintings and drawings from your students in grades 8-12. Photography, digital art, and sculpture are not eligible. ST will select twelve pictures for publication in the art calendar and on our website. The calendar will be sent to over 2,000 private/independent schools around the country, making this a wonderful opportunity to showcase your students' artistic talent.

The twelve winning artists will each receive five copies of the calendar and \$50 in gift certificates for art supplies, generously provided by Blick Art Materials.

This calendar celebrates independent schools and their talented students. Please encourage your aspiring students to submit their creations!

Find complete contest rules at

[SouthernTeachers.com/Art-Contest-Information](https://www.southernteachers.com/art-contest-information)

**Submission deadline: March 31, 2019**

To obtain an additional copy of this year's calendar (2018-19), send an email to [Teachers@SouthernTeachers.com](mailto:Teachers@SouthernTeachers.com) and include your name and complete mailing address. Subject line: **Send me an ST Art Calendar!**

Thank you to our partners:

**SOUTHERN TEACHERS**  
AGENCY

## **Founded in 1902,**

Southern Teachers is the premier placement agency for private schools in the South.

## **Our services include:**

**Teacher Placement**

**Recruitment Fairs**

**Administrative Opportunities**

**Head Search**

At Southern Teachers, we believe that teaching the fine arts is fundamentally important to the overall education of children. Art teachers develop in their students not only an aesthetic sense and technical abilities, but also creativity and imagination, which are essential talents in our ever-changing world.
